Snow Removal Guidelines

- Snow will not be removed unless a minimum of 2" has fallen.
- Driveways with parked cars, garbage cans or other personal property will not be plowed. Please park in garage or off premises.
- Please do not block sidewalks with cars.
- Sidewalks will be cleared last and not until snowfall has stopped.
- Please report any plowing damage to property manager. 202-7453
- Each owner should keep something available for icy conditions for sidewalks and drives. Product must be safe for concrete and grass.
